

# Danny Brower Memorial Hike

**Saturday, March 17**

**8 am - 12 pm**

**Join MCB Faculty, Staff, and Students  
in a hike up to Blakett's Ridge  
(or as far as you'd like to go)  
in Sabino Canyon.**

**We'll stop to remember Danny and take in the beauty of the Tucson area and the fantastic view from the top of Blakett's Ridge. Families welcome. Followed by an informal, no-host lunch in the area at 12:00.**

**More details and RSVP at  
<https://www.surveymonkey.com/r/MCBhike>**

**In memory of avid hiker and former MCB Department Head and Professor Danny Brower, who passed away suddenly in 2007. He was an inspiration to many for his spirit and intellect. Danny loved hiking and looking for snakes under rocks along the trail (though we hear this hike is snake-free!).**
